

# Hallelujah I Love Her So

## Guy Sebastian

Let me tell you 'bout a girl I know  
She is my baby and she lives next door  
Every morning 'fore the sun come up  
She brings my coffee in my favorite cup

That's why I know, yes, I know

Hallelujah, I just love her so When I'm in trouble and I have no friends

I know she'll go with me until the end

Everybody asks me how I know

I smile at them and say she told me so

That's why I know, yes, I know

Hallelujah, I just love her so Now if I call her on the telephone

And tell her that I'm all alone

By the time I count from one to four, I hear her on my door In the evening when the sun goes down

When there is nobody else around

She kisses me and she holds me tight

She tells me "Baby, everything's alright"

That's why I know, yes, I know

Hallelujah, I just love her so

[Repeat]
