U Kno It

Jeezy

Yeah, yeah
Nigga, the streets need me right now nigga
Trey, they need it right now nigga
Need some motherfucking Trap or Die shit niggaBoy that foreign pocket, boy you know it
And I'm the trending topic, boy you know it
Got cameras at the spot, boy you know it
Drum on the Glock, boy you know it
That bitch ain't got no top, boy you know it
Water whipping block, boy you know it
And that bag on the way, boy you know it
Got 'em throwin' up the trey, boy you know itNew whip alert, new whip alert
Drop head Wraith, feelings gon' be hurt
Served that raw shit and I ain't talking sushi
Bad bitch, treat her like a groupie
Aventador, batman in the parking lots
400 Degreez, bitch the block is hot
They say the street cold, that's why my neck is froze
I'm chasing money, you niggas chasing model hoes
Blue hundreds, pussy ain't gon' pay the bills
You in the county jail, pussy ain't gon' keep it real
Set the streets on fire then I got a deal
And we ain't got no deal if we ain't got a sealBoy that foreign pocket, boy you know it
And I'm the trending topic, boy you know it
Got cameras at the spot, boy you know it
Drum on the Glock, boy you know it
That bitch ain't got no top, boy you know it
Water whipping block, boy you know it
And that bag on the way, boy you know it
Got 'em throwin' up the trey, boy you know itQuarter block, got it jumping like a Pogo stick
Drop the 28, then I gave 'em 56
Okay I'm lyin', I bet I get a 36
And you know that shit
Stay popping big shit on a lil bity bitch
Mini Glock folded with the lil bity clip
Ordered 3.5 and I blew it
Main man turned state, bitch I knew it
Main man that paper work, ain't no back and forth
Took a plea deal, he ain't gotta go to court
So many sparklers they gon' burn the ceiling

Summer '05 bitch I blew a millionBoy that foreign pocket, boy you know it
And I'm the trending topic, boy you know it
Got cameras at the spot, boy you know it
Drum on the Glock, boy you know it
That bitch ain't got no top, boy you know it
Water whipping block, boy you know it
And that bag on the way, boy you know it
Got 'em throwin' up the trey, boy you know it
