

# Starlicker

## Danko Jones

Oh yeah, I like it  
Oh woo, yeah  
This is making me dizzy  
Oh, baby  
Yeah  
You gotta lick it, baby, ooh you gotta lick it good  
Uh huh, uh, uh, uh lick it  
Alright, let me take it ahead Oh baby  
Everytime I see you lick it, slick it, you you drive me wild  
Ohh lick it, yeah baby, lick it good  
Oh I love it when you come lick it  
Ha ha, yeah, lick it good  
I saw your boyfriend the other night, yeah  
That chump tried to taking the change out of my hands  
You know what I told that sucker, yeah  
Lick it, hey baby, I told him, lick it good  
Excuse me, sir, can you, uh, lick it, c'mon, and baby, lick it good  
I saw your daddy, too  
Ohh that sucker wanted to turn me back and leave  
You know what I told him, baby  
Lick it  
I said daddy come over here and lick it good, lick it, lick it good  
Daddy can you get on your knees and lick it, lick it good
