

# Reality

## Lost Frequencies

Decisions as I go, to anywhere I flow  
Sometimes I believe, at times where I should know  
I can fly high, I can go long  
Today I got a million, tomorrow, I don't know  
Decisions as I go, to anywhere I flow  
Sometimes I believe, at times where I should know  
I can fly high, I can go long  
Today I got a million, tomorrow, I don't know  
Stop crying like you're home and think about the show  
We're all playing the same game, laying down alone  
We're unknown and wrong, special when I come  
Hate will make you cautious, love will make you glow  
Make me feel the warm, make me feel the cold  
It's written in our story, it's written on the walls  
This is our call, we rise and we fall  
Dancin' in the moonlight, don't we have it all?  
Decisions as I go, to anywhere I flow  
Sometimes I believe, a time where we should know  
I can fly high, I can go long  
Today I got a million, tomorrow, I don't know  
Make me feel the warm, make me feel the cold  
It's written in our story, it's written on the walls  
This is our call, we rise and we fall  
Dancin' in the moonlight, don't we have it all?
