

Walking Thru Barbed Wire

Papa Roach

Wish I could see you for one last time
Wish I could say goodbye to you
It's hard to deal with you dying
It's time to say goodbye to you Bloody faced, kissing death
Walking through barbed wire
I'll let you go, let me go
Digging through myself I would die, die for you
I'd walk right through barbed wire Good luck in your next life
Walk as tall as the trees
Be gentle as the spring winds
And have the warmth of the summer sun Bloody faced, kissing death
Walking through barbed wire
I'll let you go, let me go
Digging through myself I would die, die for you
I'd walk right through barbed wire
I blame myself for
Your death, it's tearing me apart I would die, I die for you
Yes I would, yes I would
Yes I would I'll let you go, let me go
Digging through myself
Bloody faced, kissing death
Walking through barbed wire
