## Walking Thru Barbed Wire

## Papa Roach

Wish I could see you for one last time Wish I could say goodbye to you It's hard to deal with you dying It's time to say goodbye to youBloody faced, kissing death Walking through barbed wire I'll let you go, let me go Digging through myselfI would die, die for you I'd walk right through barbed wireGood luck in your next life Walk as tall as the trees Be gentle as the spring winds And have the warmth of the summer sunBloody faced, kissing death Walking through barbed wire I'll let you go, let me go Digging through myselfI would die, die for you I'd walk right through barbed wire I blame myself for Your death, it's tearing me apartI would die, I die for you Yes I would, yes I would Yes I wouldI'll let you go, let me go Digging through myself Bloody faced, kissing death Walking through barbed wire
