

Till I Find You

Austin Mahone

Girl, I woke up with you on my mind,
I found your picture on my phone,
I don't know what you did to me that night,
I'm in the twilight zone.

Tell me, why I'm trippin',
Still taken by the way you move,
Tell me, am I crazy,
Will I ever ever find you.

Chorus:

Every minute I'm without you I lose,
Cause an angel touched my heart and took, my cool,
Every second feels like fire, I'm blue,
What I gon' do till I find you.

Gone, the chase I'm going Sherlock Holmes,
Cinderella when the clocks go struck,
It gets so hard to breathe on my own,
Girl I'm runnin' out of ti-i-ime.

Tell me, why I'm trippin',
still taken by the way you move,
tell me, am I crazy,
will I ever ever find you.

Chorus:

Every minute I'm without you I lose,
Cause an angel touched my heart and took, my cool,
Every second feels like fire, I'm blue,
What I gon' do till I find you.

Bridge:

Wonder where what you're doing girl,
baby I'm bout to lose it,
I've been runnin' around the world,
I wont stop till I find ya.

Bridge:

Wonder where what you're doing girl,

baby I'm bout to lose it,
I've been runnin' around the world,
I wont stop till I find ya.

Tell me, why I'm trippin',
still taken by the way you move,
tell me, am I crazy,
will I ever ever find you.

Chorus:

Every minute I'm without you I lose,
Cause an angel touched my heart and took, my cool,
Every second feels like fire, I'm blue,
What I gon' do till I find you.

Chorus:

Every minute I'm without you I lose,
Cause an angel touched my heart and took, my cool,
Every second feels like fire, I'm blue,
What I gon' do till I find you.
