

# Symphonies (Remix)

## Dan Black feat. Kid Cudi

I come disguise I was hypnotized  
Lost a track, struggled back  
I wanted easy stuff to please me  
Something in the dark began to squeeze me  
Seen it there, then there in the mirror  
Totally focused, no hocus pocus  
Dare I give in to this thing gripping my skin  
To win, thinking how to as  
The lights of a cars go by in a stream  
Seems like I stand pretty much unseen  
But I open my eyes and beams come out  
Gimme, gimme symphonies  
Gimme more than the life I see  
Score rise up, angels play  
Let my loneliness get blown away  
Gimme, gimme symphonies  
Gimme more than the life I see  
I lie down in the dust just under your eye  
A scrap of paper, thin as vapor  
Filling my clothes like smoke  
A couple of the wires in my heart are broke  
I throw, I miss something, nothing  
But dreams, schemes, moments wasted  
Taste I tasted, fate I'm fated  
Re-edited again then copy pasted as  
The lights of a cars go by in a stream  
Seems like I stand pretty much unseen  
But I open my eyes and beams come out

Gimme, gimme symphonies  
Gimme more than the life I see  
Score rise up, angels play  
Let my loneliness get blown away  
Gimme, gimme symphonies  
Gimme more than the life I see  
When I wanna quit, I suffocate it  
I chew bubblicious, stress repetitious  
Vicious, I'm one outsider  
Up above the streets on the DCY-er

Higher, fire in my guts  
In a rut but what I've got  
Is in no can, no other human  
But I do get lonely scared I'm phony as  
The lights of a cars go by in a stream  
Seems like I stand pretty much unseen  
But I open my eyes and beams come out  
Gimme, gimme symphonies  
Gimme more than the life I see  
Score rise up, angels play  
Let my loneliness get blown away  
Gimme, gimme symphonies  
Gimme more than the life I see  
Gimme, gimme symphonies  
Gimme more than the life I see  
Gimme, gimme symphonies
