fall for you.

Secondhand Serenade

The best thing 'bout tonight's that we're not fighting
Could it be that we have been this way before?
I know you don't think that I am trying
I know you're wearing thin down to the core
Oh
But hold your breath
Because tonight will be the night
That I will fall for you over again
Don't make me change my mindOr I won't live to see another day
I swear it's true
Because a girl like you is impossible to find
You're impossible to findThis is not what I intended
I always swore to you I'd never fall apart
You always thought that I was stronger
I may have failed, but I have loved you from the startOh, but hold your breath
Because tonight will be the night
That I will fall for you over again
Don't make me change my mindOr I won't live to see another day
I swear it's true
Because a girl like you is impossible to find
It's impossibleSo breathe in so deep
Breathe me in, I'm yours to keep
And hold on to your words 'cause talk is cheap
And remember me tonight when you're asleepBecause tonight will be the night
That I will fall for you over again
Don't make me change my mindOr I won't live to see another day
I swear it's true
Because a girl like you is impossible to findTonight will be the night
That I will fall for you over again
Don't make me change my mindOr I won't live to see another day
I swear it's true
Because a girl like you is impossible to find
You're impossible to find
