

# Organ Grinder Blues

## Clarence Williams

Organ grinder, organ grinder  
Organ grinder, play that melody  
Take your organ, grinder, and grind some more for me

Grind it north, grind it north  
Grind it north, grind it east or west  
But when you grind it slow, that's when I like it best

Organ grinder, organ grinder  
You don't have to pass your hat around any more  
'Cause you're just the grinder I've been waitin' for

Organ grinder, organ grinder  
Your sweet music seems to ease my mind  
It's not only your organ, but it's the way you grind

Organ grinder, organ grinder  
Organ grinder, you've found that sweet lost chord  
Start grindin', and grind your room and board

Organ grinder, organ grinder  
Organ grinder, don't tell me you're through  
'Cause if you want a little intermission  
Then mama's gonna grind a while for you

Organ grinder, organ grinder  
Organ grinder, I will give you anything you choose  
If you'll just cure my organ, of those grinding blues
