

Some Other Guy

The Big Three

Some other guy now, has taken my love away from me, oh, now
Some other guy now, has taken away my sweet, sweet love, oh, now
Some other guy now, well I just don't want to hold my mind, oh, I
I'm the lonely one, as lonely as I can be, all right

Some other guy now, has taken my love away from me, oh, now
Some other guy now, has taken away my sweet, sweet love, oh, now
Some other guy now, well I just don't want to hold my mind, oh, I
I'm the lonely one, as lonely as I can be, oh, now

Some other guy, is making me very very mad, oh, now
Some other guy now, has taken the headlamp off my pride, oh, now
Some other guy now, well, he took the best girl I ever had, oh I
I'm the lonely one, as lonely as I can feel, oh, now
