Still Here

Guerilla Maab

You looked at me and saw what I never could see
You made me be more than I thought I could ever be
And when I needed a friend
You were always there to lift me up
To make me strong, you're not gone
You're still here with me all the time
You're still here when I close my eyes
I still see you, I still feel you and we'll never be apart
You're still here, still here in my heart, in my heart
Because of you I knew how it felt to be loved
Oh, yeah, yeah, yeah
You made me feel beautiful 'cause you believed I was
And I will never forget how you touched my life
You made me feel like I belong, you'll live on
You're still here with me all the time
You're still here when I close my eyes
I still see you, I still feel you and we'll never be apart
You're still here, still here in my heart, in my heart
All my life, you'll be in my life
You'll be part of me
I'll just think of you and you'll still be
Ohh, you'll still be here
You're still here with me all the time
You're still here when I close my eyes
I still see you, I still feel you and we'll never be apart
You're still here in my heart
I still see you, I still feel you and we'll never be apart
You're still here in my heart
In my heart, in my heart, in my heart
Still here
