

Walking On Sunshine

Eddy Grant

Do it, oh do it
Oh, do it, do it
Oh, do itLooking through the morning dew
At smoky mountains, nothing new
Lead me to the mountain tower

And we'll work until it's time to stopOh baby, you're mine, you're mine you're walking on sunshine

And I got to tell you that you doing fine walking on sunshine, oh
And I got to tell you that you're doing fine walking on sunshine
Yeah, oh baby, oh baby, oh baby, oh darlingOh, living isn't everything
But you know the feeling love can bring
I said, "When you're floating through your cloud"

Baby don't you shout too loud, oh darlin'Oh said girl, "You're mine, you're mine you're walking on sunshine"

And I got to tell you that you doing fine walking on sunshine, oh
I got to tell you that you're doing fine walking on sunshine
Oh oh, darling"You're mine, you're mine you're walking on sunshine"

And I got to tell you that you doing fine walking on sunshine

Oh, I got to tell you that you're doing fine walking on sunshineThat's right, get there, everybody do this

That's right, get there, everybody do this
That's right, get there, everybody do this
That's right, get there, everybody do thisI'm walking on sun shine
I'm walking on sun shine
I'm walking on sun shine
