Lost In Your Love

Lost In Your Love - Marilyn Baker

Jesus, You fill my heart's deepest longing
You give me joy that is lasting
I'm lost in Your love
Jesus You fill my life so completely
Lord You mean everything to me
You are all I need

All I have needed your love has provided
I'm safe within your care
Oh how much you love me
Jesus, Lord it's so marvelous to know You
Help me each moment to show You
What you mean to me

Sometimes, I have put others before You
I've even tried to ignore You
When You called my name
But, Lord, life is so empty without You
So I came back and I found You
Loved me just the same

My life is filled with your peace and forgiveness
You treat me as your friend
Oh how much you love me
Jesus, I'm happy just to be with You
So I willingly give You
The whole of my life
