

Rockin' The Suburbs

Ben Folds

Let me tell ya'll what it's like
Being male, middle class and white
It's a bitch, if you don't believe
Listen up to my new CD, sham on
I got shit running through my brain
So intense that I can't explain
All alone in my white boy pain
Shake your booty while the band complains
I'm rocking the suburbs
Just like Michael Jackson did
I'm rocking the suburbs
Except that he was talented
I'm rocking the suburbs
I take the checks and face the facts
That some producer with computers
Mixes all my shitty tracks
I'm pissed off but I'm too polite
When people break in the Macdonald's line
Mom and dad you made me so uptight
I'm gonna cuss on the mic tonight
I don't know how much I can take
Girl give me something I can break
I'm rocking the suburbs
Just like quiet riot did
I'm rocking the suburbs
Except that they were talented
I'm rocking the suburbs
I take the checks and face the facts
That some producer with computers
Mixes all my shitty tracks
In a haze these days
I pull up to the stoplight
I can feel that somethings not right
I can feel that someone's blasting me
With hate and bass
Sending dirty vibes my way
'Cause my great, great, great, great granddad
Made someone's great, great, great, great granddaddy slaves
It wasn't my idea, it wasn't my idea

It never was my idea
I just drove to the store
For some preparation h
Ya'll don't know what it's like
Being male, middle class and white
Being male, middle class and white
Being male, middle class and white
Being male, middle class and white
It gets me real pissed off and it makes me wanna say
It gets me real pissed off and it makes me wanna say
It gets me real pissed off and it makes me wanna say
It gets me real pissed off and it makes me wanna say

Fuck

Just like Jon Bon Jovi did
I'm rocking the suburbs
Except that he was talented
I'm rocking the suburbs
I take the checks and face the facts
That some producer with computers
Mixes all my shitty tracks these days
I'm rocking the suburbs
I'm rocking the suburbs
You'd better look out because
I'm gonna say fuck
