

# Help Me

**Kris Kristofferson**

Lord help me walk, another mile, just one more mile

I'm tired of walking all alone

Lord help me smile, another smile, just one more smile

I know I just can't make it on my own I never thought I needed help before

I thought that I could do things by myself

Now I know I just can't take it anymore

With a humble heart on bended knee, I'm begging you please help me  
Come down from your golden throne to  
me, to lowly me

I need to feel the touch of your tender hand

Remove the chains of darkness and let me see, Lord let me see

Just where I fit into your master plan I never thought I needed help before

I thought that I could get by, by myself

Now I know I just can't take it anymore

With a humble heart on bended knee, I'm begging you please help me

With a humble heart on bended knee, I'm begging you please for help
