

99 Problems BC (Rock Mix)

Body Count

Yo check this out I got a ho from the east
I got a ho from the west
Got a ho that likes to jack it off and rub it in her chest I got a bitch from the north
Got a bitch from the south
Got a bitch that likes to suck it long and hold it in her mouth I got a bitch with hair
A bitch with none
A bitch with a knife
A bitch with a gun
A bitch with a ass big as a TV set
And there's a bitch over there
Hey, the one I'm gonna get But yo but maybe not
She might not like me though
No sweat to a vet
I rock her sister though
Word
I'll rock the whole damn herd
Fuck 'em all and leave 'em on the kerb I got a bitch with a mink
Who rocks a fat gold Linc
Who likes to fuck me with her ass up on the kitchen sink I got a bitch with tits
A bitch with ass
A bitch with none
But hey I give her a pass And I love 'em all
I love 'em crazily
And they love me back
That's why they stay with me So if you're having girl problems I feel bad for you son
I got 99 problems and a bitch ain't one
Hit me 99 problems and a bitch ain't one
If you're having girl problems I feel bad for you son
Got 99 problems and a bitch ain't one Got a bitch that's old
A bitch that's new
A bitch who loves velvet and the colours blue I got a bitch that's fat
A bitch that's built
A bitch who all the titties give out powdered milk I got a bitch who's funny
A bitch who ain't
A bitch that can sing
A bitch who cain't I got a bitch that loves fucking on a airplane
I even got a bitch off Soul Train I got a bitch who rolls ragtop Benz
Long ends
I got a bitch who's broke as a bum

But she's the most fun I got a bitch that plays piano
 A bitch who don't
 A bitch that dances naked
 A bitch that won't
 A bitch who's short
 A bitch who's tall
 A bitch who burns my phone out with priority calls And I love 'em all
 I love 'em crazily
 And they love me back
 That's why they stay with me So if you're having girl problems I feel bad for you son
 Got 99 problems and a bitch ain't one
 Hit me! 99 problems and a bitch ain't one
 If you're having girl problems I feel bad for you son
 Got 99 problems and a bitch ain't one I got a bitch that loves the G
 She'll fuck you right after she fucks me
 I got a bitch that loves boats
 I got a bitch who loves handcuffs and ropes I got a bitch that's fast
 A bitch that's slow
 A bitch that's a virgin
 And a bitch that's a ho
 A bitch that lies
 A bitch that's true
 A bitch who's a man, because your bitch is too I got a bitch that's cool
 A bitch that's hot
 A bitch who loves rap
 A bitch who loves rock
 A bitch who's lost and one who knows where it's at
 She gets up on to me and purrs like a cat I got a bitch that runs
 A bitch that walks
 A bitch that yells
 A bitch that talks
 A bitch that's dirty
 A bitch that's neat
 A super fine bitch that I knocked at the swap meet And I love 'em all
 I love 'em crazily
 And they love me back
 That's why they stay with me So if you're having girl problems I feel bad for you son
 Got 99 problems and a bitch ain't one
 Hit me! 99 problems and a bitch ain't one
 If you're having girl problems I feel bad for you son
 Got 99 problems and a bitch ain't one
