Vienna

Celestial Season

[by Ultravox]we walked in the cold air freezing breath on a window pane, lying and waiting the man in the dark in a picture frame, so mystic and soulful a voice reaching out in a piercing cry, it stays with you untilthe feeling has gone only you and I it means nothing to me this means nothing to me oh, viennathe music is weaving haunting notes, pizzicato strings, the rhythm is calling alone in the night as the daylight brings, a cool empty silence the warmth of your hand and a cold grey sky, it fades to the distancethe image has gone only you and I it means nothing to me this means nothing to me oh, viennathis means nothing to me this means nothing to me oh, vienna
