

Submerged

Edgewater

Quicksand, I'm sucked down in again
Blinded by the earth today
Deep beneath the undertow
But I'm two feet too short to reach it I'm paralyzed, I'm paralyzed
I'm in so deep that I get sick inside Submerged and I am out breath
Feel I fought a war today
And now I'm drowning in my my debt There's no one left to blame
Since you would lay at night
And open my arms and say I'm paralyzed, I'm paralyzed
I'm in so deep that I can't see the light home It's over rated, the time we spent here
I'm suffocating but I can't catch my grace Lies, I'm paralyzed and out of breath
Looking back at past regrets, where did I slip up?

Songwriters
