

# Youth (Luke Carpenter Bootleg)

## Daughter

Shadows settle on the place, that you left  
Our minds are troubled by the emptiness  
Destroy the middle, it's a waste of time  
From the perfect start to the finish line And if you're still breathing, you're the lucky ones  
'Cause most of us are heaving through corrupted lungs  
Setting fire to our insides for fun  
Collecting names of the lovers that went wrong  
The lovers that went wrong We are the reckless  
We are the wild youth  
Chasing visions of our futures  
One day we'll reveal the truth  
That one will die before he gets there  
And if you're still bleeding, you're the lucky ones  
'Cause most of our feelings, they are dead and they are gone  
We're setting fire to our insides for fun  
Collecting pictures from the flood that wrecked our home  
It was a flood that wrecked this And you caused it  
And you caused it  
And you caused it Well I've lost it all, I'm just a silhouette  
A lifeless face that you'll soon forget  
My eyes are damp from the words you left  
Ringing in my head, when you broke my chest  
Ringing in my head, when you broke my chest And if you're in love, then you are the lucky one  
'Cause most of us are bitter over someone  
Setting fire to our insides for fun  
To distract our hearts from ever missing them  
But I'm forever missing him And you caused it  
And you caused it  
And you caused it
