Slowmo

Lukas Rieger

She got me beggin' for more
She got me chained to the floor
I'm ready to give her my all
I'm crushing 'cause of the way
She makes me feel when she says
Come on let's not wait to get it onShe calls me up, I'll be there fast
I know i need her tonight, yeah
'Cause every little thing about her
Makes me feel a little weaker
I know I want her in my arms
I know I need her tonight, yeah
'Cause every little thing about her
Makes me feel a little weaker
Time stops when she's movin'
She puts her back into it
I know I'm gonna lose it
This girl has got me so litIt stops whe shes movin'
She puts her back into it
I know im gonna lose it
This girl has got me so litI got visions of her dancin in slow motion
Oh yeah, she got me feelin somethin
At night, i only dream of her moves in slow motion
Oh yeah, shes got me feelin somethin
(Oh, yeah. yeah)
Somethin'
(Ohh, yeah)
She got me feelin' somethin'
I know shes ready for me
She got me down on all fours
Im ready to give her my all
Can't take my eyes off her
But girl, it's time that we get it onYou call me up, I'll be right there
You know i need you tonight, yeah
'cause every little thing about ya
Makes me feel a little weaker
You know i want you in my arms
Someone right the alarm, yeah
'cause every little thing about ya
Makes me feel a little weakerTime stops when she's movin'

She puts her back into it
I know i'm gonna lose it
This girl has got me so litIt stops when she's movin'
She puts her back into it
I know i'm gonna lose it
This girl has got me so litI got visions of her dancin' in slow motion
Oh yeah, she got me feelin' somethin'
At night, i only dream of her moves in slow motion
Oh yeah, she's got me feelin' somethin'Got me dreamin' in slow motion
I'll be waitin' for you, oh yeah
Got me dreamin' in slow motion, oh yeah
Oh yeah
Got me waitin'I got visions of her dancin' in slow motion
Oh yeah, she got me feelin' somethin'
At night, i only dream of her moves in slow motion
Oh yeah, she's got me feelin' somethin'
