

# Magic In the Air (I Feel Something In the Air)

[Cher](#)

I feel something in the air  
Something that was never there  
I feel something starting to live in me  
Something only God could give to me  
Could give to me I feel magic every where  
Even though, I'm supposed to care  
About all the things that my neighbors will think of me  
And how I should act when they said  
What a nice girl I used to be, I used to be My mom will say, "My God, what've you done  
I told you that boy was only a fun"  
My daddy will raise like a storm on the sea  
Say now look what you've done to me  
Even though I care, I feel magic in the air What's a matter with you baby  
Did you fall too hard when you fall in love?  
You fall in love  
What's a matter with you baby  
Did you fall too hard?
