

# Ain't That a Shame?

## Washboard Sam

I was sittin' here thinkin'  
My mind way, away  
I had a good home  
But my woman run me away Ain't that a shame?  
Yes, ain't that a shame?  
Woman, you gon'  
Need my help someday I used to give my woman money  
Deposit fives and tens  
Now, them good times are gone, babe  
They'll never happen. again Now, ain't that a shame?  
Lord, ain't that a shame?  
Woman, you gon'  
Need my help someday Play it once, play it once (instrumental & guitar) Yas, yas Now, I don't mistreat nobody  
'Cause you got a few dimes  
You are up today, rider  
But you won't be up all the time Ain't that a shame?  
Lord, ain't that a shame?  
Woman, you gon'  
Need my help someday Lordy, Lordy  
Now, Lordy, Lord  
I used to be yo' reg'lar  
But now I gotten to be yo' dog Now, ain't that a shame?  
Lord, ain't that a shame?  
Woman, you gon'  
Need my help someday Now when I was in jail  
You was far away  
But when you got the news  
You said, 'Let old Washboard, stay' Now, ain't that a shame?  
Lord, ain't that a shame?  
Woman, you gon'  
Need my help someday.~
