

Wish You Were Here

Bliss

Like waves to the shore
Part of the ocean
The stars is high above
Part of the skyNow I drift to you
I dream of a river
A water so blue
Wish I could live thereWish you were hereLike the air that I breathe
You'll always be there
The wings that I need
When I wanna flyNow I drift to you
I dream of a river
A water so blue
Wish I could live thereWish you were here
