

Smart Woman (In a Real Short Skirt)

Jimmy Buffett

So I told her, ooh, you got money of your own?
Well, that gives me the urge to merge Bimbo limbo is where I've been
I know you know that it's wearin' me thin
The times are changin', and it's about time
I'm rearrangin' all the guilt in my mind I'm looking for a smart woman in a real short skirt
Smart woman who knows how to flirt
Smart woman got a mind of her own
Smart woman that'll take me home, take me home I'm not your macho kind of guy
But I can be so, I'm feelin' shy
Hey, baby, where'd you get your good looks?
Ooh, babe, I want to carry your books I'm looking for a smart woman in a real short skirt
Smart woman who knows how to flirt
Smart woman got a mind of her own
Smart woman that'll take me home, take me home Beauty and brains
(Beauty and brains)
Best of both worlds
(Best of both worlds)
Think I can change
(Think I can change)
If you'll be my, be my, be my girl I'm looking for a smart woman in a real short skirt
Smart woman who knows how to flirt
Smart woman got a mind of her own
Smart woman that'll take me home, take me home I'm looking for a smart woman in a real short skirt
Smart woman who knows how to flirt
Smart woman got a mind of her own
Smart woman better take me home, take me home
