She Quit Me

Warren Zevon

It wasn't the queen of diamonds that I drew first
Instead I got the ace of spades reversed
She quit me
She up and quit me, man, yeah
She quit me
She up and she quit me
It wasn't because I didn't treat her right, no
When dawn had drawn the curtains of the night
She quit me
She up and she quit me, man
She quit me
She up and quit me, yeah
It wasn't because I didn't treat her kind
I wonder who put leavin' all on her mind
She quit me
She up and quit me, man, yes she did
She quit me
She up and quit me, yeah
It wasn't because I couldn't satisfy, no
Now where'd she get the nerve to say goodbye
Oh, she quit me, yeah
She up and quit me, man, oh yeah
She quit me
She up and quit me, yeah
