Emotionless

Seether

I want to stare into the sun
Until my eyes are burned and done
When everybody's learned to pray
The rabid wolves come out to playYou're fading out, emotionless
You won't amount to more than this
Keep, keep cutting me down
Cheap, cheap tongue in your mouth
Keep, keep cutting me down
Cheap, cheap tongue in your mouth
You're so grown up behind the gun
A precious gift to everyone
So sacrifice your favourite son
The fall of man has now begunYou're fading out, emotionless
You won't amount to more than this
Keep, keep cutting me down
Cheap, cheap tongue in your mouth
Keep, keep cutting me down
Cheap, cheap tongue in your mouthPlease come down, let me cherish the sound of wasted breath
I know somehow you will never be found, a shame I guess
Please come down, let me cherish the sound of wasted breath
I know somehow you will never be found, a shame I guess
You're fading out, emotionless
You won't amount to more than this
Keep, keep cutting me down
Cheap, cheap tongue in your mouth
Keep, keep cutting me down
Cheap, cheap tongue in your mouthDon't you know I'm gonna break it down?
And yeah, you know I'm gonna break it down
