

Love Or Something Like It

[Kenny Rogers](#)

Show me a bar with a good lookin' woman then just get out of my way
Turn on the jukebox, I'll show you a song you should play
Sooner a later a few shots of bourbon I'll think of somethin to say
Whoa, I can take her or leave her but I'd like to take her away
Liquor and music, a good combination if you've got love on the brain
I never knew two women who acted the same
Some want a drink first and some want to just sit and talk
Whoa, oh, it's two in the morning, I'm running and she wants to walk
Something's got a hold on me
It's cheap but it ain't free
Love or somethin' like it's got a hold on me

That's when I asked her, "My place or your place? I hope I'm not out of line"
I asked the wrong thing but just the right woman this time
'Cause she knew a hotel, she even had a name we could sign
Whoa, oh, the cheaper the grapes are the sweeter the taste of the wine
Something's got a hold on me
It's cheap but it ain't free
And love or somethin' like it's got a hold on me
Something's got a hold on me
It's cheap but it ain't free
Love or somethin' like it's got a hold on me
Love or somethin' damn near like it's got a hold on me
