

Live Or Die (Hold Me Like a Child)

Bee Gees

Take one breath, one fundamental sign of life.
Don't look back, don't analyze the tears you cry. Only the strong survive the silent sacrifice,
And I, I will be your heart of steel but power has a price.
Ain't it time that you believe in someone,
Ain't it wrong to let the years go by
Standing face to face forever live or die. Hold me like a child, I'm not alive until you do,
What you hold in your hand is a miracle
And it's dead if I don't have you. Hold me like a child, and swear you never let me go.
You're the eye of the storm, the reason I laugh or cry,
Live or die, I will stay with you. Take one breath, one fundamental sign of life.
No bad blood, no pain can make you draw the knife. Ah, We got a world of trouble but I will never change,
And even if we fall tomorrow, we will rise again.
Now is the time we show each other, these are the words I kept inside
Standing face to face forever live or die. Hold me like a child, I'm not alive until you do.
What you hold in your hand is a miracle
And it's dead if I don't have you. Hold me like a child and swear you never let me go.
You're the eye of the storm, the reason I laugh or cry,
Live or die, I will stay with you,
Live or die, I will stay with you. Take one breath, one fundamental sign of life.
Don't look back, we love each other live or die. Hold me like a child, I'm not alive until you do.
Live or die, I will stay with you. Take one breath, one fundamental sign of life.
Don't look back, we love each other live or die. Hold me like a child.
Take one breath, one fundamental sign of life.
Don't look back, we love each other live or die. Hold me like a child.
Take one breath, one fundamental sign of life.
Don't look back, we love each other live or die. Hold me like a child.
Take one breath, one fundamental sign of life.
Don't look back, we love each other live or die
