Cheta
I am God
And I never fail
Cheta

Yesterday
Today and forever the same
Cheta
Cheta
Echezokwala oh
Cheta
Remember
Abum abum
(Abum Abum)
Abum abum
(Abum Abum)
I am Jehova
(Abum Abum)
And I am able
(Abum Abum)
Is anything too hard for me
Is it ever too late for me
Whatever it is Abum
I'm forever the same
Cheta
I am God
And I never fail
Cheta
Cheta
Yesterday
Today and forever the same
Cheta
Cheta
Echezokwala oh
Cheta

AhThe God of Abraham Isaac and Jacob

(I am)
Who makes the dry bone to rise again
(I am)
Let there be light in the world again
(I am)
So you can call me
(I am I am)
Who gives the barren a song to sing
(I am)
Who makes the dead rise again
(I am)
The first and last beginning and the end
And I'm forever the same
Is anything too hard for me
Is it ever too late for me
Whatever it is I am
I'm forever the same
Whatever it is Abum
Whatever you need abum
In every situation I am Obimo Cheta
I'm bigger than what people say

Obimo Cheta
I'm forever the same
Obimo Cheta
You are not alone Cheta

And I never fail

Today and forever the same
