End Of The Line

Arch Enemy

Welcome to the circus
Leave your brain outside
Sit back - relax
As we feed you liesSpoon fed stimulation
Glittering fashion fascination
You are lost in the game
Media corruptionYou'll be amused
By the things we do to you
But in the bitter end
The clown is youEnd of the line
You sold your soul
For a better life
You're better off deadYou had one life
You had one shot
You blew it
And you knew itThe rot sets in
No self control
At the end of the line
You play the foolYou'll be amused
By the things we do to you
But in the bitter end
The clown is youEnd of the line
You sold your soul
For a better life
You're better off deadEnd Of The Line
You're better off deadEnd of the line
You sold your soul
For a better life
You're better off deadEnd Of The Line
You're better off deadEnd Of The Line
