

Help Me Make It Through The Night

Deana Carter

Take the ribbon from my hair
Shake it loose and let it fall
Layin' soft upon your skin
Like the shadows on the wall

Come and lay down by my side
Till the early mornin' light
All I'm takin' is your time
Help me make it through the night

I don't care what's right or wrong
I don't try to understand
Let the devil take tomorrow
'Cause tonight I need a friend

But yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't care what's right or wrong
I don't try to understand
Let the devil take tomorrow
'Cause tonight I need a friend

'Cause yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't wanna be alone
Help me make it through the night
