

# Warrior

## Souleye

### Verse 1

Give your best and always work to be on track /  
Let me race across this beat /  
I'm a lace it with cheetah like speed /  
Why be a cheater when it comes to rap? /  
Automatic who's awaiting their return to Saturn /  
I'm that un-know vocal cord /  
Composing for the lordship wordsmith /  
Your Born with it, own up to your birthright /  
What's your horoscope and prediction /  
Your jurisdiction, journey, and addiction /  
I've got the feeling that it's all coming true /  
Like when the rain clouds shower on the flowers they bloom /  
And when the sun comes up and leaves no clues /  
When it disappears and appears as the moon  
The monsoon brought the moisture /  
Serenading the souls of the culture /  
Natural keep the focus of a warrior /  
Were all see soon the outcome of your life /  
And what your story was /

### Chorus

Tread the way, tread the way of a warrior  
Tread the way, tread the way of a warrior  
Tread the way, tread the way of a warrior  
Luminous open up your heart and surrender 2x

### Verse 2

Do you believe what Daniel did in the lionâ€™s den? /  
Internally a torch burns inside me /  
This galaxy a connections it twists and it turns /

Divine intervention is the path I see /  
Discipline, adrenalin that daily concern /  
    Knowing that what you put in /  
    Is what you get and you earn /  
    Fantastic voyage on to the other side /  
the next dimension of human beings they have arrived /  
    Age limitless life forms in the pyramids /  
    Original special effects be your own hero when /  
Your alone or sorrow comes and brings chills in your bones /  
    Remember this we are warriors /  
    Be experimental experience the elements /  
And exteriors rearrange the obvious thing your into /  
    I mean get a routine just add a little bit of /  
    Spice to your life and fulfill your dream

### Chorus

Tread the way, tread the way of a warrior  
Tread the way, tread the way of a warrior  
Tread the way, tread the way of a warrior  
Luminous open up your heart and surrender 2x
