Old Time Sunshine Song (Re-Recorded In Stereo)

Roy Acuff

I wanna hear it again
Just the way it was back then
When my mama sang to me
It was love and harmony
In that old time sunshine songWith the mellowing of years
We look back and see the tears
With happy times and ties that made us strong
We all worked in the fields
It was love and it was real
Like an old time sunshine songI wanna hear it again
Just the way it was back then
When my mama sang to me
It was love and harmony
In that old time sunshine songI don't get back much these days
Since mama passed away
It's still the place I feel that I belong
So I go there in my mind hoping, Lord
That I might find that old time sunshine songI wanna hear it again
Just the way it was back then
When my mama sang to me
It was love and harmony
In that old time sunshine songI wanna hear it again
Just the way it was back then
When my mama sang to me
It was love and harmony
In that old time sunshine song
