

Roller Queen

Jimmy Eat World

I blame it on my entrance
It may have seen to much like confidence
Let me start it over
Help me get to what I can from when I didHad to leave my reasons
It may have seemed to much, the consequence
In your busy, dizzy life you'll become everything
You said you wouldAll that I know is how I can hold on but all that
You see is how I let you go
How about once around?
