

# SHOOT THE TRUTH

## YELL-O-YELL

Soothe your fears/ ain't no reason to/  
shoot your fears / ain't no good in it  
and iF your fears/ come to be true  
then: shoot the TRUTH

Follow your fears/ Fear goes far/  
Follow yor own foot-steps/ see where they dig your grave  
Learn from it 'n' keep it in mind/  
and stab their backs!

No warning!  
Shoot from behind  
It's the first time, it's fair.
