

# Fools Lullaby

Bonnie Tyler

Baby, when I lost you  
My heart stood still  
Oh baby, when I kissed you  
Gave me such a thrill Oh I'm far away from home  
Oh baby, when I touched you  
Felt a shiver on my skin  
Baby, oh I love you This love's not a sin  
Oh I'm far away from home  
I'm so alone  
Far away from home [Chorus]  
Oh it's a fool's lullaby  
Oh I never meant to make you cry  
We can make a better life  
Don't make my blue eyes lie Oh it's a fool's lullaby  
I gave you all  
The best years of my life  
Baby, take another chance  
And give it one more try Oh baby, if you call me  
I'll be there  
Whatever happens, baby  
We just won't care Oh I'm far away from home  
Oh baby, take my heart  
Let's heal the pain  
Take me in your arms Make love again  
Oh I'm far away from home  
I'm so alone  
Far away from home [Chorus] Oh it's a fool's lullaby  
I gave you all  
The best years of my life  
Baby, take another chance  
And give it one more try [Chorus]
