[Omar Linx](#)

ahhh
as i dive in without my wings the speed of light im flying to my end
as i fall without my wings
how the last song the black bird will sing
im free at last ,free from you ,
free from the past
fredom at last
what is life ,other than a cage to me
im free at last,free from you
free from the past'
freedom at last
what is life, other than a cage to me
blackbird,
oh, blackbird
blackbird
oh, blackbirdnow i rise as the pheniox escapes from me
through the fire, through the flames
leaveing ashes underneathim free at last,free from you
free from the past'
freedom at last
what is life, other than a cage to me x2black bird
oh blackbird
blackbird
sing one last song for me
yeah blackbird
oh black bird
sing one last song for me
