

Fast As I Can

Great Big Sea

From the first hello you gave to me I've done nothing else but smile
And I know you're in a hurry, but it's gonna take a while
So forgive me if we go slow, but there's something I think you should know I'm going fast as I can, please don't
make me rush
This feeling's coming on way too fast
I'll tell you all of the things that you'll never forget
But I'm not ready say, "I love you" yet
I'm not ready to say "I love you" yet Don't push me in too deep, I've always been the fool who rushes in
You've got to take the pieces one by one before you've got everything
So forgive me if we go slow but there's something I think you should know There'll be times when I'm
mistaken, there'll be times when we're gonna fight
But you needn't doubt we can work it out and in time we'll get it right
So forgive me if we go slow but there's something I think you should know
