Night Go Slow

Catey Shaw

The cars all stop where they are,
when you take my hand, there is no time.
Every moment that passes by with you,
I wish I could rewind.Let go of your ways
and forget today
Just follow me tonightDo you understand why I put all my plans on hold?
And doesn't the night go slow?When we are here alone,
Something inside you shows.Ooohooh.Doesn't the night go slow?
Ooohoh. Slooooowoh. Ooooooohoh.It feels like we are the only two people that left in town.
Our phones are dead and the planes overhead,
don't even make a sound.
With no distractions my only reaction to you is the joy I found.
And I don't think I can let this moment go.And doesn't the night go slow?When we are here alone,
Something inside you showsOoohooh.Doesn't the night go slow?
Ooohoh. Slooooowoh. Ooooooohoh.Stop. Breathe out. Slow motion.
This is our pure moment.
The sun stays frozen hidden down below.Doesn't the night go slow?
Doesn't the night go slow?When we are here alone,
Something inside you shows.Ooohooh.Doesn't the night go slow?
Ooohoh. Slooooowoh. Ooooooohoh.
