

One More River

The Alan Parsons Project

Don't look back 'cause there's one more river
Don't turn your back, you got one more river to cross
No more fightin' and no more dyin'
No more cheatin' and no more lyin'Don't look back 'cause there's one more river
And don't turn your back, you got one more river to cross
Don't start askin' the rhyme or reason
Don't hold back, it's the time of the season, oh, ohOne more mile and one more road
One last bridge and one less load
One more riverAnd don't look back you got one more river
Don't turn your back, you got one more river to cross
Don't start askin' the rhyme or reason
Don't hold back, it's the time of the season, oh, oh
