

# Face With Nobody

Ayoe Angelica

My act is taking over me  
Iâ€™m fighting in security  
I want you to look into me  
I am the one you think you see  
When Iâ€™m with you  
Iâ€™m like how I am when Iâ€™m alone  
When Iâ€™m with you...  
Iâ€™m nobody  
Is like I am in a move with more rose to play with my own  
Is like I am in a move with more rose to play  
My soul, I see, Iâ€™m in, Iâ€™m real, Iâ€™m breathe,  
I feel, Iâ€™m face... with nobody.

And even go I want you too  
Mmm... You see the face of nobody  
And is upset whe Iâ€™m with you  
I want to be somebody

When Iâ€™m with you  
Iâ€™m like how I am when Iâ€™m alone  
When Iâ€™m with you...  
Iâ€™m nobody  
Is like I am in a move with more rose to play with my own  
Is like I am in a move with more rose to play

My soul, I see, Iâ€™m in, Iâ€™m real, I breathe,  
And I feel there I face, face with nobody.  
My soul, I see, Iâ€™m there, not here, I breathe and I feel  
I face with nobody.
