

# Freedom Run

[Kyuss](#)

Freedom run  
Freedom run  
Freedom runFree to run  
Free to run  
Free to runFreedom run  
Freedom run  
Freedom runNo break through  
I steal for you, I need you  
And there's nothing you can do, yeahWalked hundred miles of desert sun  
To grasp the chance that I'll be gone  
Be one with you, yeahFreedom run  
Freedom run  
Freedom runWell, I'll break through  
Well, I steal for you, well, I need you  
And there's nothing you can do, yeahNo form in past, I hope you last  
You're in my grasp  
I loved you, oh yeahFreedom run  
Freedom run  
Freedom run  
Freedom run
