# No Future In The Past

## Vince Gill

I lie here tonight in the darkness
I've never felt so alone
tomorrow I'll wake up still lonesome
'Cause things haven't changed since you've goneYou walked out with angry words spoken
You're leavin' cut right to the bone
I'll pick up the pieces you have broken
Find the strength to go onI still remember
How my love once held her
How long do old memories last
Why can't I forget it
Why can't I admit it
There ain't no future in the pastI still remember
How my love once held her
How long do old memories last
Why can't I forget it
Why can't I admit it
There ain't no future in the past
