

Hard To See

Shattered Faith

I'm growing so disturbed
Nothing makes sense to me anymore
I'm learning to resist
Becoming more than you ever were
Can't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your side
Projecting all my anger
I can't seem to get this through to you
The walls are closing in
I dare you to walk in my shoes
Can't explain what's come over me, come over me

Can't explain why it's so hard for me, so hard to see your side
Your side
I won't see your side
Can't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your side
Can't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your side
I won't see your side
Your side
