

Meet You At The Moon

[Imelda May](#)

We're lookin' at the same moon
Though we're miles apart
We're wishin' on the same star
When you're deep in my heart
I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon
We're starin' at the same sky
Strangers it seems
We're sittin' on the same earth
Though there's oceans between
I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon
Mm I'm part of you
And your part of me
But it's a cold old world
When your missin' somebody
With out you
I wouldn't couldn't be
So when your heart is achin'
And it can't take much more breaking
We're lookin' at the same moon
Though we're miles apart
We're wishin' on the same start
When your deep in my heart
I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon
