Ones

Islands

Damn, I fucked my aunt
I can't believe I fucked my aunt
I fucked my aunt y'allI was thirteen, skinny little freckle-faced kid
Growin' up in the country felt like doin' a bid
But the summers were my favorite when we swam in the lake
And trips to the city, what a magical place
First baseball game, man, I'll never forget
Crackerjacks, bleacher seats and the crack of the bat
My friend Tim caught a ball, but he gave it to me
And five years later, I fucked my auntDamn, I fucked my aunt
I can't believe that I fucked my aunt
Man, I really fucked my aunt
I fucked my aunt, y'allRainstorms always give me the blues
Worst one in ten years on the evening news
She rode her bike over cause the streets was closed
My aunt standing there in soaking wet clothes
We opened some wine and laughed like kids
She told me funny things that her and my mom did
But then my uncle called and she had to go
And twelve years later, I fucked her sisterDamn I fucked my aunt
Can you believe that I fucked my aunt?
Man, I guess I fucked my aunt
I fucked my aunt y'allIt was my eighteenth birthday, the world was still new
My parents threw me a party as parents will do
My uncle's wife gave me a punny gift
It was an ant farm, man she was a trip
Later that night I was up in my room
I watched as the small ant community bloomed
So simple, yet so complex, I contemplated my own life
And wondered what would come next
I took out my favorite ant and crushed it with my dick
And also, I fucked my auntDamn, I fucked my ant
And I fucked my auntMan, we fucked our aunts
We fucked our aunts y'allOh, I can't believe it
They fucked their aunts
I mean, I fucked my aunt too
But you don't see me making songs about it
Although we technically didn't have sex
Just some above the clothes stuff

And some under the clothes stuff
I mean what is sex really?
Is it just penetration?
Or do you have to finish?
'Cause I finishedDamn, I fucked my aunt y'all
