Let's Go

Korn

LET'S GO!
What's the problem
Why can't you relax?
Inside hating on everything, that makes me mad
Love is scary and love is to blame
Guess I'll lose you and that is a shame
because I'm over you
Over you
Over you
Over you
Over you
Over you
Over you
LET'S GO!
I'm taking over
I won't be lead astray
Life's doesn't last long
I gotta get away
The solution I try to reveal
But the question is how can you really be healed?
Hate is scary and hate is to blame
God, I need you and that is a shame
'Cause I need you
I need you
I need you
I need you
I need you
I need you
I need you

LET'S GO!
I'm taking over
I won't be lead astray
Life's doesn't last long
I gotta get away
Gotta get away
Can't, can't get away
Gotta get away
Can't, can't get away

Gotta get away
Can't, can't get away
Gotta get away
Can't, can't get away
Gotta get away
Can't, can't get away
Gotta get away
Can't, can't get away
Gotta get away
Can't, can't get away
Gotta get away
LETS GO!
I'm taking over
I won't be lead astray
Life's doesn't last long
I gotta get away
I'm taking over
I won't be lead astray
Life's doesn't last long
I gotta get away
