

Shut Me Up (Groandome Metal Mix by Ulrich Wild)

Mindless Self Indulgence

The bass
The rock
The mic
The treble I like my coffee black
Just like my metal
With the bass
The rock The mic
The treble
I like my coffee black
Just like my metal I can't wait for you to fuck me up
In a minute - minute
In a fuckin' minute
I can't wait for you to fuck me up In a minute - minute
In a second I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up The bass
The rock
The mic
The treble I like my coffee black
Just like my metal
With the bass
The rock The mic
The treble
I like my coffee black
Just like my metal I can't wait for you to fuck me up
In a minute - minute
In a fuckin' minute
I can't wait for you to fuck me up In a minute - minute
In a second I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up I don't buy your body right now - right now

I'm almost over my body right now - now
I'm on my way to the party right now - right now
I don't buy your body right now - right now I'm almost over my body right now - now
I'm on my way to the party right now - right now
Because the (bass? break?), the (bass? the break?) I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up I can't wait for you to shut me up
And make me hip like badass
I can't wait for you to shut me up
Shut it up
