

# Humble Me (featuring Lemicah Levert)

## Gerald Levert

What do you have to do  
What homework do you have to do  
(spelling and math)  
So why aren't you at home doing your homework  
Why didn't you do your homework (cause you wanted me to come here)  
And (and) Sometimes my ego gets in the way  
I don't say I love you when I should say  
It ain't your fault I had a bad day  
For your happiness is why I pray [Chorus]  
Now I lay me down to sleep  
Hope that you are proud of me  
If I should die before I wake  
Remember all these words I'm saying  
Your smile your face is all that it takes  
Is all that it takes to humble me  
Your smile your face is all that it takes  
Is all that it takes to humble me When I look into your eyes I think that  
I'm a lucky guy  
To know someone like you will always be  
Apart of my life  
Knowing that I taught you well I picked  
You up when you fell  
And no one else can tell you that but  
You I won't be there  
I know you are the future times heart  
Of the sure end  
And that is why it make me respect you more [Repeat Chorus three times]  
I love you forever will always be together  
Sang sang sang will well that was good that  
Was good  
Thank you anything you want to say  
Anything you want to say to your fans thank  
You everybody  
For what for loving me [Chorus]  
Fade
